A million ways to play marbles, at least - Examiner.com

A million ways to play marbles, at least  
Examiner.com

Your basic marble is made of glass. Now it's true that there are other, even more basic marbles that are made of clay. And I suppose that sun-hardened clay marbles are even more basic than your kiln-dried pottery marbles. On the other hand, ...

Freak winter storms, marble-sized hail in New Jersey  
National Post, Canada

You don't often see people in shorts and T-shirts out shovelling snow or rescuing a car stuck in a high drift of the white ice on the road especially in July. If you're far north, it can get cold this time of year, but not in New Jersey. ...
